## Bingo raises R180 000

### Agenda Bathurst

After raising R180 000 at the bingo night at Sandton Hotel, the non-profit organisation (NPO) can now fulfil its dream of getting and supporting people living with disabilities.

The night offered great prizes between R2 000 and R11 000.

One of the founding members, Michelle Nkomo thanked participants and sponsors. "The money we raised will enable us to buy equipment for disabled people. In September we donated wheelchairs to kids and also plan to do the same for children in the near future."
